- Different design options, fit for different surgeons' needs

Ordering Information

Skin Stapler

| Code | Staple QTY | Staple Diameter | Packaging |
|-----------|------------|-----------------|--|
| DSSB-35-W | 35 pcs | 0.6 mm | 10pcs/box 10 boxes/ shipping carton |

See-through window
for better visibility

Pre-cock function
for exact staple positioning

Stainless steel staples
35 medical grade

Non-stop feed
for reduced jamming

Sharper staples

to provide minimal tissue trauma

Staple Remover ring handles provide improved feel and control while the metal jaws provide both strength and reliability. Much easier to remove the staples.
